Sir:

Pursuant to 37 CFR §1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

In the Information Disclosure Statement filed on June 24, 2003, Box No. 2 on page 2 erroneously indicated that "English-language reference 6,249,956 corresponds to Non-English language reference JP B2 3118834." The correct references were identified in the attached Form PTO-1449 and were provided with the original Information Disclosure Statement, and thus further copies are not provided herewith.
